& Operation of

Raffle Tickets for Train sets donated by Barry's Train Shop are available in the Train Display room.

Thanks to Barry's Train Shop, on the Square in Elizabethtown, for their support of The Train Guys and Elizabethtown Public Library.

This year's display is largely three rail O gauge and is capable of running up to 20 trains at one time. A particularly fun feature for visitors are the roughly 40 push buttons mounted around the platform which allow visitors

to start trains and operate accessories. Multi-level areas allow visitors to examine many different scenes and railroad venues.
